# BIOGRAPHY

Over the last 20 years there has been a small selection of gospel artists who've broken the mold and crossed over to the mainstream by infusing pop, R&B, and hip hop into their songs without compromising on content. Shariffa Nyan is adding her name to that list with projects like EVERY PART OF ME (2016) – her second “Neo-Gospel” EP containing elements of R&B, funk, and hip hop with productions by Don Christian and Lawrence “Illoquint” Wilder as well as mix tape, SOUL FOOD (2017)- a six track banger that bridged the gap between the secular and church worlds. 2018 yielded 3 hit singles including UNITED by Dice Gamble ft. Shariffa Nyan, Pelle Price and VellVett, HEAVEN (Remastered) and THIS CHRISTMAS. Heaven scored Shariffa a partnership opportunity with God's Glory Music Group and distribution deal with Symphonic.

Shariffa created quite the buzz with her 2019 single DO IT FOR LOVE ft. Dauntee VellVett! Consistent spins on college and terrestrial radio as well as international and national blogs, definitely placed Shariffa in a lane all her own. Now in 2020, Shariffa presents to you her long anticipated EP, "Foreign"! Available on all music streaming platforms.
